Tools & Platforms	Ekata, Accertify, Zendesk, Apollo, PayPal, Atlas
Data & Reporting	Advanced Excel; VLOOKUP, HLOOKUP, XLOOKUP; IF/ELSE logic; VBA fundamentals

PROFESSIONAL EXPERIENCE

Fraud Analyst | TELUS Digital Oct 2024 – Present

- Maintain a chargeback rate below 1% and quality scores above 95% while reviewing approximately 12 high-risk e-commerce transactions per hour.
- Represent chargebacks with acquiring and issuing banks, using reason-code analysis to formulate effective responses and recover disputed funds.
- Prepare and submit compelling evidence, managing cases across the end-to-end dispute lifecycle.
- Conduct multi-signal transaction risk assessments to identify fraudulent activity.
- Assist with AML transaction monitoring and prepare supporting documentation for SAR and STR filings.
- Deliver process-improvement feedback to clients and internal stakeholders.
- Earned multiple Performer of the Month awards for sustained performance.

Customer Service Executive (Chat Support) | Tech Mahindra May 2022 – Mar 2024

- Resolved billing-related customer queries through chat support while adhering to SLA standards.

Customer Care Officer (Email Support) | Dhani Healthcare Limited Jan 2022 – May 2022

- Managed customer service operations primarily through email, with end-to-end ownership.
